KULCHALEE ARTS

African Drumming & Percussion

Interactive drumming and percussion workshops using a variety of African and worldwide instruments. Participants explore rhythm, culture and musical traditions through hands-on group participation.

Creative Art & Heritage Activities

Participants explore cultural themes and creative techniques while producing their own individual artwork.

Storytelling & Drama

Energetic, interactive storytelling that brings African and Caribbean stories, history and culture to life through performance and audience participation

Cultural Diversity, Heritage & History Talks

Engaging talks, lectures and cultural diversity sessions exploring Black, African and Caribbean heritage, history and identity. Sessions can be tailored for schools, community groups, workplaces and organisations, drawing on Kulchalee's knowledge and lived experience.
